

# N95 Mask Collection

- 1 At start of shift, legibly write: **FIRST NAME, LAST NAME AND UNIT OR GROUP** in permanent marker on the outer edge of mask (see photo below).
- 2 Doff used N95 mask at end of shift in designated dirty utility room.
- 3 Place labeled N95 mask in paper bag, fold and place in appropriate bin outlined below.

**\*If you are in the following groups, please write the group name instead of unit:**

**Hospitalist, Anesthesiologist, GI, Dentistry, Resident, RCP, VAT Team and Float Team\***

**Place ALL N95s in Clear Bin in Dirty Utility Room**

**\*No longer Bin A or Bin B (only 1 bin necessary for all masks)**
